is scarcely anything in the world that somebody is not afraid of. Oftentimes these fears are entirely groundless. That which most people are least afraid of, and which all should fear more than anything else, is sin.

How Can We Overcome Fear? By studying the ground of our fear, and seeing whether there is any cause for it. Some people are desperately afraid of cats, which are about as harmless as any animals in the world. If you are afraid of anything examine it carefully, and your fear will probably disappear. God and His presence are the best antidote to fear.

What Evil Effects Does Fear Produce? It makes us uncomfortable, deprives us of much pleasure and prevents our doing many things that we ought to do.

HELP THE GIRLS.

The girl of today is the woman of tomorrow. Every girl who lives up to the level of her best counts for our nation of tomorrow.

"Ever since Will went to war mother has done nothing but think about him and talk about him. Nobody cared, so I just took my fling."

Too many girls in war-time feel exactly that way. Life has to be interesting, when you are fourteen years old. If you don't get drama and fun near home you go after it.

Blue Triangle Clubs have been meeting the question squarely and have recently decided to get the younger girl of the United States, girls from ten to eighteen, together in one big organization.

The object of the movement is to give girls through normal, rational activities the habits, insights and ideals which will make them responsible women, capable and ready to help America, more true to the best hopes and traditions.

HELPING THE HEARTBROKEN.

The Hostess House which the Y. W. C. A. established in military camp proved itself a necessity in the days when the good-bye between the man and woman promised a reunion after the war had ended. How much greater a necessity it has proven itself in the past three weeks when mothers are called from home to say good-bye without hope of meeting on this earth, only the mothers can tell. There are always heartbreaking scenes in a Hostess House. The tolls exacted by the epidemic of influenza and pneumonia have made these scenes of hourly frequency in many of the camps.

"GOD'S SERVICE STAR"

Is the title of a beautiful, helpful, vocational service to be used at Christmas or other time in the Church and Sunday School

It is based on the beautiful little story by Mildred Welch.

It appeals for the enlistment of life in God's service.

It will be furnished in sufficient quantities for use in any of the churches or Sunday Schools of the Presbyterian Church in the United States, free of cost.

Samples have been sent to each Superintendent or Clerk of Session. If your school has not seen it order a sample outfit now. Free.

The General Assembly asked (at Birmingham) "That the Sabbath nearest to Christmas of each year be set apart to be observed by our Sunday Schools in the interest of Christian Education and Ministerial Relief." (At Durant): "That so far as practicable our Committee's arrangement of the Christmas program be used in our Sabbath Schools."
